Sales Pass \$2,500,000 for Grandview Palos Verdes Prestige Home Project

Sales have passed the \$2,500,000 mark at Grandview Palos Verdes, prestige residential community on the exclusive, smog-free Palos Verdes peninsula, sales director William C. Kulow announced. "Last week end was our biggest since the first of the year," Kulow said, "with buyer interest even greater than the Memorial Day week end had led us to anticipate." "Elegance in Living" is the theme of the current Grandview series, builder-developers Edward K. Zuckerman and Barney R. Morris added, and the availability of both VA and conventional terms has brought this elegance within the reach of a maximum number of quality minded home buyers. Down payments are as low as \$500 plus costs and impounds, for qualified veterans, while non-veterans can obtain FHA financing with as little as \$2500 down plus costs. Prices are from \$23,900 to \$30,100. At Grandview Palos Verdes both large and small families can find spacious housing in a community whose uncongested nature makes it ideal for family living. Zuckerman and Morris noted. Floorplans with 2 bedrooms and a den; 3 bedrooms and family room and 4 bedrooms and family room, all with two baths are available. Eight furnished model homes, typical of the 41 varied home designs in the development, as well as the sales office at 27200 Silver Spur rd., are open daily and Sunday, from 10 a.m. to 7:30 p.m. Federal funds to the amount of \$11,200 for flood damages sustained by the city, were asked in a formal resolution by the city council Tuesday.

High School. Officers of the class of 1958 are Bob McHugh, president; Jerry Hedges, vice-president; Elizabeth Alexander, secretary; Ann Bulch, treasurer. Class advisor is James B. Crow.
